

Helping Organisations and Individuals get through life more easily

A Better MORE Balanced LIFE IS Possible...

Do you know **you have** an issue?

Do you **think** you might have an **issue**?

Are you **worrying** you have an issue when **you don't**?

Want someone to **listen**, provide **guidance**?

PriorityOne Consultants provide alcohol, drug and other addictions rehabilitation options and support services to you in the safety of our consulting suites or at your office/home.

At PriorityOne confidentiality is part of every day life and we recognise the importance of adhering to it. We take precautions ensuring comfort and peace of mind when embarking on advice and support with us.

PriorityOne uses a “whole of life” approach enabling you to further your choices moving towards your aspirations.

Our clients tell us this is useful as they are predisposed for action, much less stressed and excited at finding a refreshing approach to life knowing they have support!

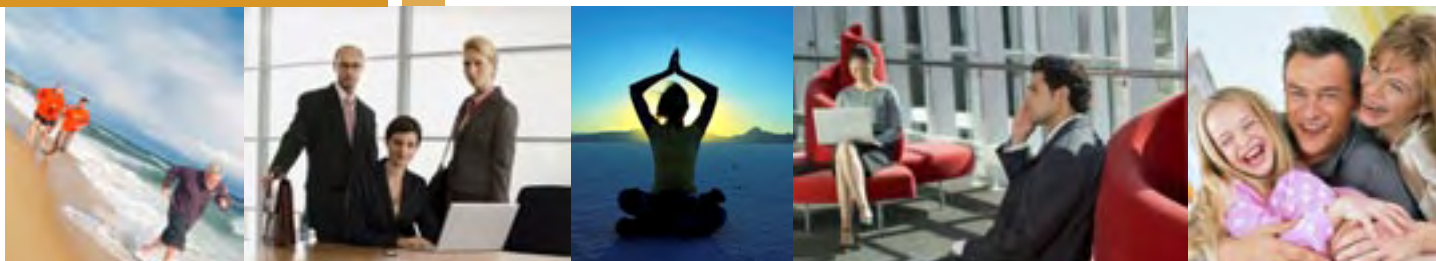

The services we provide

- ❑ Initial risk assessment on A&OD use (including both illicit and prescribed drugs). Determine if there is an addiction of some form.
- ❑ A personalised plan to Determine what the client wants to do, if in fact anything, if assessment indicates a problem.
- ❑ Counselling around A&OD use.
- ❑ Support if you decide you would like to manage the issue.
- ❑ Ongoing support, to develop and tweak strategies, to stop or minimise use.
- ❑ Referrals to external providers such as A&OD medical specialists to deal with possible withdrawals, or prescribe such things as methadone if required.

Alcohol **Rehabilitations**
Drug **& Services**
Other

You need not go elsewhere to find the right support you kick start.

Making a decision can bring up concerns as well as excitement at new opportunities.

Advice on “safe” drug use

PriorityOne ensures that each client receives a consultation determining at risk areas and appropriate management if determined to be in a risk category.

We provide you with education in safe drug and alcohol use to allow you to make informed and safe decisions, particularly in regards to injecting drug use and sexual activity.

Making a decision to embark on taking advice can bring up concerns as well as excitement at new opportunities.

We don't crowd, judge or condemn you!

We remove pressure rather than induce it. We provide options, guide and motivate you.

Together we finalise an approach ensuring risk has been mitigated, opportunities maximized and balanced.

You ultimately decide the actions that will make the most difference ensuring your life is easier.

Our services are used by members of the general public and our executive and corporate health clients.

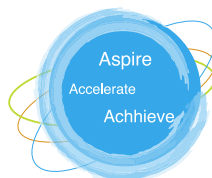

These services work in conjunction with our other health services, such as health assessments, STD risk assessments, fitness assessments.

Why act now?

This unique approach offers an unexpected bonus, accessed through your PriorityOne coach.

It is an exciting way to look ahead, to a world of possibilities via the PriorityOne network.

So how to get started?
